 * You are allowed to use the sounds free of charge and royalty free in your
 * projects (such as films, videos, games, presentations, animations, stage
 * plays, radio plays, audio books, apps) be it for commercial or non-commercial
 * purposes.
 * But you are NOT allowed to
 * - post the sounds (as sound effects or ringtones) on any website for others
 *   to download, copy or use
 * - use them as a raw material to create sound effects or ringtones that you
 *   will sell, distribute or offer for downloading
 * - sell, re-sell, license or re-license the sounds (as individual sound effects
 *   or as a sound effects library) to anyone else
 * - claim the sounds as yours
 * - link directly to individual sound files
 * - distribute the sounds in apps or computer programs that are clearly sound
 *   related in nature (such as sound machine, sound effect generator, ringtone
 *   maker, funny sounds app, sound therapy app, etc.) or in apps or computer
 *   programs that use the sounds as the program's sound resource library for
 *   other people's use (such as animation creator, digital book creator, song
 *   maker software, etc.). If you are developing such computer programs, contact
 *   us for licensing options.
 * If you use the sound effects, please consider giving us a credit and linking back
 * to us but it's not required.
